Frameworks: Bulma, Bootstrap, JQuery

Projects

Karaoke Made Easy | <https://github.com/dannyramirezgd/karaoke-web-app> | <https://dannyramirezgd.github.io/karaoke-web-app/>

- Description
 - An application that allows a user to query for an artist or song which returns the top 10 results from a 3rd party Web API. The user can click on any available song and be presented with lyrics for that song.
- Technologies used
 - HTML
 - CSS
 - JavaScript

Wag! | <https://github.com/dannyramirezgd/wag-dog-walker-app> | <https://secure-savannah-19572.herokuapp.com/>

- Description
 - An application that allows users to sign up as a dog owner and schedule times with local walkers in the neighborhood based on walker availability. The application also allows users to sign up as walkers and set up available times for their own services.
- Technologies used
 - HTML
 - CSS
 - JavaScript
 - Handlebars
 - Node.js
 - Express.js
 - Express-session
 - Bulma
 - MySQL
 - Sequelize

Experience

School Counselor

(2020-Present)

Fairfax County Public Schools

Fairfax, VA

- Counsel students on concerns about academic, emotional, or social problems targeting struggling students based on data resulting in a 98% graduation rate.
- Create connections and relationships with teachers, staff, and student families within the community – utilize Spanish-speaking skills in fostering these relationships.
- Develop action and safety plans for students with the student services team of 14 members with a caseload of 300+ students per counselor.
- Organize and facilitate Robinson's local chapter of College Partnership Program which identified potential first-generation college students which resulted in each senior identified receiving at least one acceptance letter

Prince William County Schools

Woodbridge, VA

- Facilitate drug and alcohol prevention programs for the elementary level.
- Organize peer counseling and leadership programs.
- Develop academic committees to improve learning conditions and collaborate with staff within the building such as leadership, principal advisory councils, and other academic committees such as literacy and STEM.
- Additional duties include organizing, developing and inception of our school-wide Positive Behavior Interventions and Supports (PBIS) program.
- Demonstrated initiative by developing and coaching a robotics team to encourage STEM engagement for students.

Education

Boot Camp Certificate: The George Washington University, Washington, DC

A 24-week intensive program focused on gaining technical programming skills in HTML 5, CSS3, Javascript, JQuery, Bootstrap, Node.js, MySQL, Express, Handlebars, NoSQL and ReactJS

Master of Science (M.S.): Radford University, Radford, VA

Bachelor of Science (B.S.): Radford University, Radford, VA
